

### Date Code Policy

Cypress complies with the below date code age restrictions on all product shipments. The following table summarizes the date code policy:

Date Code (Marked Date Code on the product)	Is the part shippable?	Documents to be accompanied along with the shipment		
		Certificate of Conformance (COC)	Qualification Data (Reliability Data)	Customer Waiver
0 – 12 months	Yes	Not Applicable	Provided Upon Request only	Not Applicable
13 – 24 months	Yes	COC must accompany shipped material	Provided Upon Request only	Not Applicable
25 months or greater	Yes, unless governed by a valid Sales agreement and/or Quality Specification that specifies a Date Code restriction of <= 24 months. In such a case, parts can be shipped only if prior approval is obtained from the Customer in the form of a waiver.	COC must accompany shipped material	Provided Upon Request only	Required on file prior to shipment (where applicable)
